'THE JAMES WEBB SPACE TELESCOPE: FROM LAUNCH TO FIRST SCIENCE'

TALK by DR. EMMA CURTIS -LAKE

**Astronomer STFC Webb Fellow, Centre for Astrophysics
Research, University of Hertfordshire,**

'LIVE' in St Anne's Parish Hall & 'STREAMED ONLINE' via webinar

SATURDAY 29th OCTOBER 2022

11.00 to 12.00

Coffee served at 10.30

We are delighted to welcome Dr Emma Curtis-Lake from the Centre for Astrophysics Research, University of Hertfordshire, who is one of three new dedicated fellows appointed in August 2021 by the Science and Technology Facilities Council (STFC) to bring the science of the James Webb Space Telescope to us the public, schools, and scientific communities. Emma will take us on a tour of the Universe, from our own Galaxy to the edges of the Universe as seen by JWST.

BUY ALL TICKETS ONLINE at www.friendsofstanneskew.org.uk
